This chapter was prepared for the 2014 NBER conference on means-tested transfer programs organized by Robert Moffitt. We thank the Kreisman Initiative on Housing Law and Policy at the University of Chicago Law School for financial support and Benjamin Keys, Robert Moffitt, Edgar Olsen, Barbara Sard, Alex Schwartz, our discussant Lawrence Katz and other conference participants for helpful comments. Rob Collinson remained an unpaid employee of the U.S. Department of Housing & Urban Development (HUD) during the writing of this chapter. Any errors and all opinions are ours alone and do not represent those of HUD or the National Bureau of Economic Research.

NBER working papers are circulated for discussion and comment purposes. They have not been peer-reviewed or been subject to the review by the NBER Board of Directors that accompanies official NBER publications.
