Cambridge, MA 02138  
September 2019

The authors would like to thank Ingrid Gould Ellen, Rachel Fyall, Ed Olsen, and Jim Sullivan for commenting on early versions of this work. Jacob Binder, Kelsey Taeckens, and Evelina Smirnitskaya at J-PAL North America provided excellent assistance cross-referencing, ensuring quality, and copy-editing. Particular thanks go to Rohit Nainpally who made vital contributions to initiate, coordinate, and inform this project. This project received financial support from J-PAL North America. Any remaining errors remain the responsibility of the authors. The views expressed herein are those of the authors and do not necessarily reflect the views of the National Bureau of Economic Research.

NBER working papers are circulated for discussion and comment purposes. They have not been peer-reviewed or been subject to the review by the NBER Board of Directors that accompanies official NBER publications.
